WHAT WE KNOW NOW

CYBERATTACK ON THE COLONIAL PIPELINE

It Was **The RUSSSIANS**

CONGRADULATIONS
ASSHOLES!

How many of you actually believe
that a "Cyber Attack" somehow
took down the gas pipeline?

How many of you actually believe
that "the Russians" did it?

How many of you have seen through
the bullshit and realize that this
is yet another "false flag"- to
drive up the price of gas and
blame it on a "shortage"?

Colonial Pipeline Paid Hackers \$5 Million In Crypto Ransom Hours After Attack

BY TYLER DURDEN

THURSDAY, MAY 13, 2021 - 03:01 P

Update (1028ET): In a stunning reversal to the official narrative in which the good guys lost and those evil "Russian" hackers ended up with nothing, Bloomberg reports that Colonial paid the DarkSide hackers approximately \$5 million in cryptocurrency (which Bloomberg now calls "untraceable" when in its every other hit piece crypto is supposedly completely "traceable") within hours of the attack last Friday, contradicting a WaPo report it had no plans to pay the ransom to unlock its paralyzed pipeline system.

'Dracula's Castle' Swaps Fangs For Jabs in Pivot to COVID Vaccination Hub

AFP 10 MAY 2021

Visitors to Romania's forbidding [Bran Castle](#), widely known as the inspiration for the lair of Dracula, are being jabbed with needles rather than vampiric fangs this weekend in a [coronavirus](#) vaccination drive.

Those who take the jab are handed a certificate hailing their "**boldness and responsibility**" promising they will be welcome at the castle "for the coming 100 years" - as well as offered a free tour of the "torture chamber".

McDonald's teams up with Biden admin to provide 'trusted' information on Covid vaccines

On April 30, 2021, Ontario's physician licensing body, the College of Physicians and Surgeons of Ontario (CPSO), issued a statement forbidding physicians from questioning or debating any or all of the official measures imposed in response to COVID-19. 1

The CPSO then went on to threaten physicians with punishment – investigations and disciplinary action.

French troops who warned Macron of 'brewing civil war' must **RESIGN** if they put free speech over duty, army chief of staff says

yet another open letter – a second of its kind – signed by an unidentified number of the French military personnel. Published in the conservative Valeurs Actuelles magazine last Sunday, the missive warned top French officials about a “civil war brewing” in the country and slammed the government’s response to the first such letter, signed by 25 retired generals as well as a hundred of officers and more than a thousand of soldiers.

‘Dire situation’: Over 120 retired US generals sign letter slamming Biden govt, say nation in fight against ‘socialism & Marxism’

Warning that the US is in “deep peril” from a “full-blown assault on our constitutional rights,” over 120 former top military brass have signed a letter outlining threats to its “survival,” including Biden administration policies.

The open letter, published on Monday by a group called ‘Flag Officers 4 America’, questions the result of the 2020 election, President Biden’s “mental and physical condition,” and sounds off on a number of hot-button topics, including China, the Iran nuclear deal, critical race theory, and the border wall.

Three ways biodigital convergence is emerging

1

Full physical
integration of
biological and digital
entities

2

Coevolution of
biological and digital
technologies

3

Conceptual
convergence of
biological and digital
systems

Biodigital convergence is opening up striking new ways to:

- Change human beings – our bodies, minds, and behaviours
- Change or create other organisms
- Alter ecosystems
- Sense, store, process, and transmit information
- Manage biological innovation
- Structure and manage production and supply chains
